LEAVING IOWA

By Tim Clue and Spike Manton

Director: Glenn Farr

Producer: Linda DuRant

Don Browning returns home to finally take his father's ashes to his childhood home. But when he discovers Grandma's house has been replaced by a grocery store, he travels across Iowa in search of a proper resting place for his father. This "father-and-son" road trip shifts comically from the present to Don's memories of the annual, torturous vacations of his childhood. "Leaving Iowa" is a postcard to anyone who's ever found themselves driving alone on a road, revisiting fond memories of their youth.

A CHARLIE BROWN CHRISTMAS

By Charles M. Schulz, based on the television special by Bill Melendez and Lee Mendelson; stage adaptation by Eric Schaeffer; by special arrangement with Arthur Whitelaw and Ruby Persson

Director: Tiffany Dinsmore

Producer: Meesh Hays

The Peanuts gang is back in this live musical version of the classic animated special you've loved for years. When Charlie Brown complains about the overwhelming materialism he sees all around him as Christmas approaches, Lucy suggests he direct the school Christmas pageant. When an attempt to restore the proper holiday spirit with a forlorn little fir tree fails, it's up to Linus to remind everyone of the real meaning of Christmas.
