<b>July 21 – August 4 : Attendance at all tech rehearsals and shows is MANDATORY</b>						

We know summer is a busy time. We will not rehearse every day and you will not be called to every rehearsal until closer to the show. If you are cast, we will do our best to work around your conflicts as you have provided them on this sheet. Besides emergencies, the conflicts listed above are the **ONLY** conflicts we will honor. Additional conflicts and absences could result in removal from the show.
